Captains need to be approved by TCL so that we can put teams on your roster

Captain questions email RyderCup@TCLCornhole.com

**HAVE TO FOLLOW FORMAT WITH ZIP CODE ZONES AND MEMBERSHIPS
OR TEAM IS NOT REGISTERED**

Out of area exceptions

1. Family rule - immediate family members can choose to play on the same team regardless of residency (parent/child, husband/wife, siblings) once you choose a district you have to play for that conference to keep family rule or both move to another district in order to play together.

2. Emergency Rule - a player drops out at the last minute for an emergency. You can find a player in your district at any time. Or if you need a player from the host district it requires majority approval of regional directors. For 2021 this district would be the Fort Worth Conference.

GAME PLAY RULES

TIE BREAKER

If two teams at the end of the tournament are tied for 1st Place with the same amount of points a playoff will determine the champion.

- Captains will flip a coin (winner gets to decide to be odd or even)
- Teams will go head to head picking a player from the opposing team when it is their turn. Players will compete down and back. 1 point is awarded to the player with the most points. If the players are tied, they play down and back again to determine the winner.
- First team to 6 points wins the championship
- ***If more than 2 teams are tied with the same amount of points a coin flip will determine who receives the bye in the playoff
- Tie breaker for 2nd place and below will be determined by Team 8.

RYDER CUP BAG POLICY

Players can use any BIG TEX GEAR Cornhole Approved Bags for 2023 - 2024 TCL Season.

Failure to follow these rules will result in loss of wins and forfeiture of entry money.

For Team 8 – the entire Team must throw the same similar color bags but can be different models. * If you want to have a hold bag during Team 8 at each end you may do so, but that bag has to be a totally different color than the bags your team is throwing during that game.
